

**Q** Tired of hearing the same old war stories from the same old trainers?

**Looking for a speaker with global automotive credibility and unique delivery?**

**A** Then it's time to experience the World's #1 rated automotive trainer, Mark Walsh.

Mark Walsh has spoken to over 290 Manufacturer Meetings, Industry Associations and 'Twenty Groups' in thirty-seven countries. In 2002 Mark was the first international speaker ever afforded the honor of being invited to present a workshop at a National Automobile Dealers Association (NADA) Annual Convention. February 2007 Mr. Walsh will return for his 5th time to present to delegates at the 90th Annual NADA Convention in Las Vegas, Nevada.

Mark's techniques have trained over three hundred thousand Dealers, Managers and Salespeople worldwide. His systematic "141" approach has helped to develop decisive advantages leading to resounding success stories. His unique dynamic style is eloquent, inspirational and loaded with practical common sense skills for your better future!
